### Headteacher' Introduction

I would like to extend a very warm welcome to you and your child. We are very pleased to welcome you to St. John's Primary School.

Our core values of *Thinking, Learning, Caring*, underpin everything we do at St John's School and fully support the vision for our school. These values are revisited in assemblies, through daily interaction with staff, children and parents and are shared through all forms of communication. They reflect our corporate belief.

Our core values support our development as successful learners, responsible citizens and lifelong learners. We aim to create an environment where everyone is empowered to grow and develop, so that we all achieve our full potential.

We believe that our school provides the pupils with security, friendship, encouragement, motivation, stimulation, praise, respect, resilience and consideration for their individuality. We believe that the teaching and learning at St John's School develops knowledge, confidence, self-esteem, autonomy, independence, self-discipline, individuality, responsibility and perseverance. We provide opportunities for co-operation, maintaining a positive attitude, valuing others, the environment and property, social awareness and encouragement for every child to achieve their personal best.

We pride ourselves on our meaningful, broad and balanced curriculum., which enables our pupils to be: Curious, Confident, Collaborative and Creative thinkers and learners.

We are confident that, with a talented team of both teaching and non-teaching staff who will be working closely in partnership with you, we can provide a smooth transition for any child joining the school and strive to meet the needs of all.

Please contact us with any queries you may have, we are more than happy to help.

### Our Vision

## St. John's Relational Support Pledge

At St. John's we recognise the importance of relationships. The relationships that we develop with the children have the ability to enable them to go beyond merely "surviving at school" but to engage with everything we at St. John's are able to offer; to enjoy each and every moment they have in school and to thrive.

### Protection

To show the children they are protected staff will...

- ...ensure children are aware of their rights to feel safe
- ...implement routine and structures and ensure they become familiar
- ...be proactive and not reactive
- ...offer the children clear safety cues
- ...become familiar with all needs
- ...keep calm and be considered and measured reaction or their response
- ...take time to listen
- ...welcome the children everyday into the classroom and onto the playground
- ...be consistent
- ...consider their body language to ensure that they are welcoming and open
- ...show a warm facial expression
- ...be predictable and trustworthy
- ...provide the safety and security that they desire

### Connection

To develop a connection with the children staff will...

- ...be physically and emotionally available
- ...timetable time to talk/ time to share/ time to ask
- ...ensure that the children have a voice in the development of their school
- ...develop a class culture; "inside jokes and understandings" that set them apart from others
- ...show pride in their class
- ...build a bond with them as individuals as well as a class
- ...show interest
- ...ask questions
- ...enjoy their company
- ...make sure that learning is fun
- ...accept their feelings and experience
- ...wonder aloud

### Understanding

To show the children that we truly understand them staff will...

- ...be approachable to all the children
- ...accept and validate their feelings
- ...model the management of difficult emotions and feelings
- ...recognise and acknowledge the emotions behind behaviours
- ...help children to regulate
- ...offer time and space to share their feelings
- ...share and celebrate differences
- ...teach emotional vocabulary explicitly

### Care

To show the children that we care for them staff will...

- ...view each and every one of them as an individual
- ...show the children that they are actively listening to them
- ...build relationships whilst developing necessary boundaries
- ...be aware of important events in their lives
- ...acknowledge and support sensory seeking needs of individuals
- ...be mindful of their facial expression and gestures
- ...notice change
- ...smile

### Foundation Stage and starting school

Starting school is an exciting time for all but can cause worries for both parent/carer as well as the child. We hope that this document will help you by providing you with the information you need at this time. Please contact the school office if you have any questions after reading this handbook.

If your child is starting school in September and is in the Foundation Stage, you will be invited to attend an evening for parents/carers at the School in the Summer term. This will give you some initial information about St John's School; the structures and routines of the school day for your child; about what your child will be learning in their first year and how you can help them at home.

The children will have induction sessions during the summer term, prior to them starting school in the September. These sessions are designed to familiarise your child with their new learning environment and to meet their future friends and teachers. Dates will be sent to you about this in due course.

Children starting their schooling at St John's will either start in our 'Nursery' (ages 3-4) or, if they transfer from another Nursery, at the end of their Nursery year (4-5 years old) into 'Reception'.

### Nursery Hours

Since September 2021 Jersey's Children and Education Minister confirmed that up to 30 funded hours will be offered to nursery children, aged 3 to 4, through the Nursery Education Fund (NEF), and in Government of Jersey nursery classes.

For further information please see <https://www.gov.je/Education/Preschool/Pages/NurseryEducation.aspx>

### Preparing your child for school

At St John's we aim to make our children as independent as possible. It is a great help to us if your child is able to do some of the following when they come to school. It also gives your child more confidence in the early days of their school career.

- ✓ Dress and undress – including socks and shoes.
- ✓ Remove outdoor clothing (including using zips) and hang it up.
- ✓ Use the toilet and flush properly, washing and drying hands after use.
- ✓ Tidy and put away toys.
- ✓ Share and 'take turns'
- ✓ Follow simple instructions.
- ✓ Know his/her full name

## The Curriculum

At St John's School our approach to learning is embedded in the Jersey Curriculum and is supported by our agreed school values. We actively promote a creative curriculum as the vehicle for delivering much of our learning and this complements discrete skills teaching, rigorous monitoring and moderation of pupil attainment.

We plan a curriculum that enables our pupils to be Curious, Confident, Collaborative and Creative thinkers and learners.

Our curriculum includes: -

English	Mathematics and Numeracy	Science	Technologies
Humanities	Health and Wellbeing	Religious and Moral Education	Physical Education
Expressive Arts & Music	PSHE (Personal, Social, Health Education)	French	

## Homework and Home Learning Tasks

### Home Learning Tasks

Homework is anything that children do outside the normal school day that contributes to their learning. Homework encompasses a whole variety of activities instigated by teachers and parents to support children's learning. We believe that parents are their children's primary educators and that we must therefore work in partnership with parents. We acknowledge that children's learning and development is greatly enhanced outside the school environment. We provide Home Learning Tasks each term to support the curriculum of your child. These tasks range in subject and are optional. All these activities and many more will all help children to learn and develop essential skills and contribute to their knowledge and understanding of the world.

### Current research supports the following:

- ✚ Homework develops links between home and school
- ✚ Homework allows parents to play a leading role in their child's education
- ✚ Homework helps children understand that 'work' is not just confined to school
- ✚ Beyond reading, spelling and times tables, homework at primary level has little impact on progress or attainment

“ There is no possible way...  
a student can learn  
everything mentioned in a  
class without reinforcing the  
subject...”

### Special Educational Needs

At St. John's *Miss Sian Walker* is our appointed Special Educational Needs Coordinator- SENCo.

Our priority is to make sure children experience high quality teaching in the classroom, adapted to different levels of ability and learning styles.

As an inclusive school we ensure all pupils have equal access to the curriculum. In discussion with class teachers and parents, a minority of children are placed on our Special Needs Register and additional help allocated. Every effort is made to support children if they need extra help. Most children identified, need this support for a short time only. Parents are contacted immediately if a child's learning development or behaviour is causing concern. Equally if a parent is concerned, they should see the class teacher as soon as possible.

Teaching staff at St. John's School are trained in differentiating for the needs of pupils ranging from the very able to those with learning difficulties. Learning is planned to provide for the development of skills across this range. Learning Support Assistants are effectively used to help cater for the wide range of needs. Where required, we provide pupils with specific intervention programmes. These are in place for children with Emotional and Behavioural Difficulties, Specific Learning Difficulties, Speech and Language problems and Occupational Therapy needs. The Special Educational Needs Co-ordinator (SENCo) works closely with staff when devising Individual Learning Plans (ILPs) for pupils with special needs, where appropriate. Such support will either be individual, or group based depending on the type or severity of need.

Children who have complex special needs may require a full assessment of their educational needs. When we seek to do this, we always fully involve the parents from an early stage. This procedure involves the Educational Psychologist, and invariably other professionals such as Occupational Therapists or Clinical Psychologists when assessing the child.

The SENCo liaises with the Educational Support Team (EST) based at the department for Education, Sport and Culture about those children who require more specialist support or referral.

## ST. JOHN'S PRIMARY SCHOOL, JERSEY

### School Terms

The academic school year is made up of 3 terms:

**Autumn term:** September-December.

**Spring term:** January-March.

**Summer Term:** April-July.

The specific dates for each school term are published on our website and are available from the school office and also published on <https://www.gov.je/Education/Schools/SchoolLife/pages/termdates.aspx>

### School Hours

#### **Nursery:**

08:45 Nursery starts (doors open from 8.45 for parents to settle their children)

14:45 The whole day session finishes

#### **Reception, Key Stage 1 and Key Stage 2:**

08:30 Doors open

08:45 Registration

10:15 Reception and Key Stage 1 Morning break

10:30 Key Stage 2 Morning break

12.00- 1.00 Lunch break

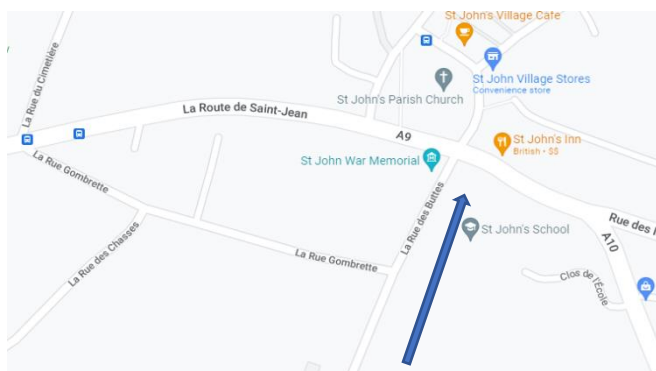

15:00 The school day finishes.

### Drop Off and Collection of Children

The safe arrival and collection of children each day is of the highest priority to the School. We would therefore ask that all families follow the School procedures detailed below:

#### **Drop Off**

Doors open to children at 8:30 (8:45 for those in Nursery) and the teachers will be in class ready to welcome the children. All children are to enter through their classroom doors except those children in Year 5 and Year 6- these children enter through the main entrance. Two staff members are on duty at this time; one on La Rue des Buttes to ensure the smooth flow of traffic (this is one way at drop off) and the other on the playground welcoming all.

#### **Collection**

Parents and adults collecting Nursery and Reception children come to the Nursery door or the Reception door. The doors will remain locked until this time to ensure children's safety.

Parents and adults collecting children in Key Stage 1 come to the outside of their child's classrooms via the playground.

Parents and adults collecting children in Key Stage 2 wait on the playground outside the classroom doors for Year 3 and 4. In the case of Year 5 and 6, these children will exit through the main entrance.

### **Breakfast Club**

The school runs a breakfast club which operates from 7.45am. The club is run by Mrs Channing and Miss Bisson and the admin is undertaken by Mrs Falle and Mrs Bisson. There is a daily charge for this provision, £2.50 which includes breakfast. If you are interested, please contact the main office. Families are invoiced monthly in advance and booking is essential.

### **School Crossing Patrol**

Mr Fallaize is the School Crossing Warden, and he is prepared to cross families over La Rue de la Mare Ballam twice daily; in the morning from 8:15 and at the end of the school day from 2:45.

### **Permission to walk home alone**

Children may walk home alone without adult supervision once they reach the Years 5 or 6. A request form must be completed and handed to the school office before they will be able to leave school unattended.

Mr Hazley or other senior leaders will review the application and confirm permission. If permission for your child to walk home alone is given, once the child has been dismissed from their class, they then become the parent/carer's responsibility.

Older siblings who have permission to walk home unaccompanied are not allowed to walk home with younger siblings.

Applications for children in Year 4 wanting to walk home unattended can be made in the Summer term only of that year.

Where the School may have concerns regarding a child walking home independently, in any year group, the School has the right to withdraw permission and the child will have to be picked up by a known adult.

### **School Uniform**

School uniform is important as it helps establish a strong school identity, a high expectation of standards across the school for all pupils and a pride in appearance.

Our uniform also has to be practical and comfortable. As detailed below, children can change aspects of the uniform for the summer periods. On PE days, children are expected to come to school in their PE uniform (this will be at least 2 times per week).

All school uniform and book bags are stocked at 'Lyndale Sports' and at 'JSSK'. The main office can provide contact details for both suppliers who also offer an on-line service to families (including delivery/exchange to school).

All clothing and equipment MUST be clearly marked with your child's name; this includes coats, bags and lunchboxes.

#### **St John's Uniform**

##### **Whole School**

Grey trousers (or shorts in the summer)	White Polo shirt Foundation/KS1
White Shirt and Ties Year 3 onwards	Green jumper with logo
Plain grey/white socks	

##### **Options for Girls**

Grey skirt/pinafore	Green & White checked dress (optional for warm weather)
Green cardigan/jumper with logo	Plain grey/green/white socks or tights

##### **PE Kit**

Green Tracksuit	White polo Shirt or white T-Shirt
Green Shorts	"Predominantly White" Trainers

### Jewellery

Jewellery should not be worn in school. This ban includes charity bangles, necklaces and rings. Children with pierced ears may wear plain studs. We will not accept liability for any injuries associated with earrings.

### Hair

Shoulder length and long hair must be tied back all day. For safety reasons we also ask that children do not wear beads in their hair. Hair which falls into children's eyes will need to be clipped back off the face. The school has high expectations regarding the smart appearance of pupils, and hairstyle is part of this. Minimal hairbands should be blue, black or white.

### Mobile Phones

Mobile phones are not allowed in classes at school. If you wish your child to have a mobile phone with them for a particular day, please arrange to hand the phone to Mrs Falle at the start of the day. It will be switched off and your child to collect it at the end of the school day. Your child will be asked to complete a brief signing in form to confirm these have been handed in and at the end of day to confirm that they have been returned.

### Precious items

Children must not bring precious (sentimental or valuable) items into school. These items include toys, jewellery, electronic games etc. The exception to this is when it has been arranged that such items can be brought in for special assemblies or lessons. In this case the items can be kept safely. At no other time will the school be held responsible for precious items.

### Lost Property

We do understand that children misplace/leave things around school; however, we do not operate a lost property 'box' in school. Any item handed into the school office is returned promptly to your child if it has their name on the item. Any items that we are unable to return to their rightful owner are on display in the office for a period of time and then disposed of to a good cause. PLEASE always ask your child's class teacher and the school secretary if you are looking for a lost item. CLEARLY marking all of your child's items of clothing is really important for their return.

### Attendance and Punctuality

We have an expectation that all children will attend St. John's School 100% of the time.

However, we understand that, on occasions, children will become ill or need to attend a medical appointment. It is important that if your child cannot attend school, direct contact is made with the School Office first thing on the first day of absence.

If contact is not made the School will make direct contact with parents/carers. If direct contact cannot be made, the school will seek support from other central agencies to clarify where the child may be and if they are safe.

To help with this parents are advised to enter the school's telephone number (01534 861692) into their phone so that it can be found easily. As the mornings can be extremely busy in school, we have a telephone system which allows you to leave a message to report your child's absence. Please leave a message on the voicemail if no-one is available to take your call.

The Main Office should be informed of medical appointments and times in advance so that children can be registered correctly, and they are prepared to leave school on time for their appointment. When an appointment is for the start of the school day and your child will not be in for registration it is important that you have let the Main Office know so that we are not actively looking for your child. If we are unsure as to the whereabouts of your child, the School will have to contact you.

We have an expectation that all children will attend School on time every day. This is monitored by the class teachers, our Attendance Officer, Main Office and the Education Welfare Office. We understand that, on occasions, circumstances cause a child to be late. However, this should be a rare occurrence.

Where there is a growing concern regarding punctuality your child's class teacher will contact you in the first instance. Where improvement has not been made the matter will be taken up by the School and Education Welfare Office.

The emotional impact on a child turning up late for school is significant and can affect their ability to learn and to access activities throughout the day.

The main doors to the School are open from 8.30 am, registration is at 8.45am; after this time your child will be marked as "Late". If your child is late, they must report to the main office to be signed in.

It is essential that children who are being collected from School are collected at the end of the day on time. On the rare occasions when an adult may be faced with an unforeseen delay in collecting their child it is important that contact is made with the School before 3pm. We can then let your child and staff know that you will be late, and we can ensure they are safe and happy.

### Leave during Term Time

The Department for Children, Young People, Education and Skills (CYPES) **does not, at any time, support leave during term time, however, in exceptional circumstances head teachers have the discretionary power to grant leave in accordance with this Policy.** This policy can be found at:

<https://www.gov.je/Education/Schools/ChildsWelfare/Pages/SchoolAttendanceAbsence.aspx#anchor-3>

Parents are requested to write to the Headteacher to request leave in term time. Each case is considered carefully. If the request does not meet the criteria for 'exceptional circumstances', the leave will be recorded as 'unauthorised'.

### Safeguarding and Child Protection

Keeping children safe is an integral part of what we do in school. We follow the CYPES Safeguarding and Child Protection policies and national guidelines. Should we suspect any form of neglect, physical, sexual or emotional abuse is occurring to any individuals in our care, we will report this to the Children and Families Hub. Information about this service is available on the gov.je website.

Please see the poster shown below for the named Designated Safeguarding Leads.

All staff employed within the school have received Safeguarding and Child Protection training and their DBS (police) checks are in place. Your child's safety is our utmost concern. You will usually be contacted with any concerns that we may have in the case of a referral, unless we and the Children's Service believe that this will be against the interests of your child.

If you wish to help the school with reading, visits etc, on a regular basis, then please consider asking for information to complete the DBS process at the school office. All adults in regular contact with the children need to go through this process for the safety and wellbeing of the children.

# SAFEGUARDING

## at St. John's Primary School

If you don't feel safe or your are worried about the safety of another student our safeguarding team is here to help. Come and find us any time.

 <p><b>Mr. S Pallant</b> Designated Safeguarding Lead</p>	 <p><b>Mr. J Hazley</b> Designated Safeguarding Lead</p>
 <p><b>Mrs. H Paul</b> Deputy Designated Safeguarding Lead</p>	 <p><b>Miss. G Clavel</b> Online Safety Officer</p>

**Member of staff or a visitor  
to school?**

If you have any concerns about the needs or welfare of a student, please do not hesitate to speak to one of us. We all share a responsibility for our students' safety and wellbeing

### Visitors

Visitors and parents are asked to report to the school office once the school is in session. This is to provide security for your children, and we would ask you to abide by this. Visitors will be asked to sign in, using our digital system and be given a label to show they have permission to be there. Adults wandering inside school without any ID. will be challenged by staff.

### **Health and Medical Matters**

During their first year in school all children have their height, weight, vision and hearing checked by the school nurse service. Full notification of this is given to parents. The Dental Service also visits the school, but parents are also encouraged to phone the School Dental Clinic at the General Hospital to arrange more regular check-ups for their children.

### **Medicines in School**

The school will not normally undertake to store or administer medication to children during school hours. However, in extreme circumstances and at the discretion of the headteacher, parents can request that medication be administered. Any such request must be made in writing giving precise details of the time and dose to be administered. A copy of the 'Medicines in School Policy' is available on request.

### **Inhalers**

The one exception to the above policy is that of inhalers. Children who require an inhaler for asthma and allergic conditions must keep them in class with them. This encourages independence and responsibility of use. Parents should inform the child's teacher of the need for an inhaler. The teacher and child will decide together the best place for the inhaler to be kept in the classroom during the day. It is the parent's responsibility to ensure that all inhalers are within date. An off-site visit may be refused if a child does not have an inhaler in school.

### **Infectious Diseases**

It is very important that children who have infectious illnesses, such as gastro-enteritis stay at home until the condition is completely clear. Department of Health advice states quite clearly that children who suffer from diarrhoea or vomiting should remain at home for 48 hours after the last bout. This is to minimize the risk of infection to other children. If your child is suffering from any of the common childhood illnesses such as Chicken Pox or German Measles, please let us know so that other parents can be informed that there is a case within the school.

### **Head Lice**

Unfortunately, it is a fact of life that children in our society often become infected with headlice. For this reason, we insist that children with shoulder length hair or longer wear it tied back. The control and detection of head lice is not the school's responsibility, but parents are contacted if it is noticed that their child has head lice. It is important that you check your child's head and comb it through with a fine-tooth comb regularly at home. Please inform school if your child has eggs or lice, so that we can be vigilant together. Guidance on the prevention and treatment of head lice are available from the School Office.

### **Sun Safety**

For sun safety please send your child to school with a sunhat and apply sun cream on appropriate days. Only a full sun hat is acceptable, no visor only hats please.

### **First Aid**

We have several fully qualified First Aiders on the staff. Should your child be injured whilst in school a First Aider will examine him/her and decide whether medical intervention is required. If this is the case, you would be contacted immediately. Any parent whose child receives a bump to the head during school hours is automatically informed by email with an accompanying phone call if required. In order to fully support your child, please let us know if he or she has any medical needs whether temporary or long term. Please do not hesitate to contact us if you have any concerns or queries about medical matters.

### Partnerships with Parents

We believe that a genuine partnership between parents and the school is central to pupils achieving their best. We encourage dialogue through homework and informal discussion between teachers and parents. There are lots of opportunities for communication and also a range of events on the school calendar where families and staff get together socially e.g. St JUFFS sponsored walk, Sports Day and Christmas Events.

### Parent Support

We welcome and value parents' help in school, whether they have a specific talent or skill or can assist with more general activities. Parent involvement can include listening to children read, helping with cooking, gardening and DT, library and computer skills, or accompanying educational visits. If parents wish to help in school, they must hold a current DBS clearance, which is simple to organise and can be applied for via the school office.

All parents and guardians of children at St John's School and members of staff, automatically become members of the Parent, Teacher and Friends Association (PTFA).

### PTA

The PTA at St. John's aim to develop good relationships between parents and teachers, teachers and pupils, and the entire St John's community. They also aim to enrich the education of our children through fundraising in order to provide the school with funds for activities and equipment.

The PTA talks to the teachers about what they feel the children need (in addition to school funded activities and equipment) to assist the learning process.

The PTA talks to the children about what might enhance their time at St John's.

The core committee meets every month to discuss and organise fundraising events such as Christmas fairs, summer fetes, deco days, Christmas parties, discos, bingo nights, quiz nights, scavenger hunts and much more!

### Reporting to Parents

Parents are asked to attend appointments with class teachers twice during the school year so that they can be informed of their child's progress and are able to discuss with the teacher any problems or worries. The first occasion is early in the school year, usually October OR November, when the class teacher will discuss with parents how they can best offer support at home. The second meeting is in the Spring Term.

### Annual Reports

A written report is sent home to parents of all children midway through the Summer Term. The report contains brief summative statements about the child's attitude and learning skills and curriculum coverage. The report also includes targets for English and Maths. If parents have any concerns or require any clarification on reading the report, they are asked to make an appointment with the class teacher or head teacher.

## Parental Responsibility (PR)

Parental responsibility is about making decisions which affect a child's welfare and the people who are legally able to do this. A person with parental responsibility for a child will have certain rights, powers and authority, duties and responsibilities. Below we outline the laws around PR:

### What does Parental Responsibility include?

- ✓ where the child should live
- ✓ the child's education
- ✓ applying for a passport
- ✓ significant movement of the child such as:
  - ✓ leaving the country for a holiday
  - ✓ leaving the jurisdiction (emigrating)
- ✓ the child's name (including changes to name by Deed Poll)
- ✓ protecting the child
- ✓ the child's religious upbringing
- ✓ consent to the child's medical treatment
- ✓ consent to freeing the child for adoption
- ✓ looking after the child's property (e.g. inheritance)
- ✓ the child's burial or cremation

### Who has Parental Responsibility for a child?

- ✓ The mother of the child will automatically have parental responsibility for her child.
- ✓ If the father was married to the mother of the child at the time of the child's birth and registered as the father on the birth certificate, he will also have parental responsibility for his child.
- ✓ Someone else can have parental responsibility for a child if either:
  - ✓ a custody order or a residence order has been made in their favour
  - ✓ they have responsibility for the child under an emergency protection order
  - ✓ they are a guardian of the child
  - ✓ they have adopted the child

### Do unmarried Fathers have Parental Responsibility?

If your child was born **before 2nd December** 2016:

For births registered in Jersey before 2nd December 2016, an unmarried father will **not** have automatic parental responsibility for his child even if he is registered on the birth certificate. In order to acquire parental responsibility, an unmarried father must enter into a parental responsibility agreement with the child's mother or apply to the court for a parental responsibility order.

If your child was born **on or after 2nd December** 2016:

If the father of the child is not married to the mother at the time of the child's birth but is registered on the birth certificate, the father will automatically have parental responsibility for his child.

Birth Certificate/Identity Card.

It is a requirement by the Department for CYPES that the school records it has seen your child's birth certificate. Once we have seen this, we will record this on our central administration system (SIMS).

This will clarify for the school who has PR for your child. This means that the school can fulfil its data protection (GDPR) responsibilities for your child. All new families to the school will be asked to bring their child's birth certificate to the school office for processing.

## Data Protection

### St. John's Primary School Jersey Privacy Notice 2022

St. John's School, Jersey is registered as a 'Controller' under the Data Protection (Jersey) Law 2018 as we collect and process personal information about you. We process and hold your information in order to provide public services and meet our statutory obligations. This notice explains how we use and share your information. Information may be collected on a paper or online form, by telephone, email, or by a member of our staff, or in some cases, by another States department.

<b>HOW</b>	
<p><b>How will we use the information about you?</b></p> <p>We will use the information you provide in a manner that conforms to the Data Protection (Jersey) Law 2018.</p>	

We will endeavour to keep your information accurate and up to date and not keep it for longer than is necessary. In some instances the law sets the length of time information has to be kept. A retention schedules are in place which determines how long we retain your information.

We may not be able to provide you with a service unless we have enough information or your permission to use that information.

We will not pass any personal data on to anyone outside of the States of Jersey, other than those who either process information on our behalf, or because of a legal or statutory requirement, and we will only do so, where possible, after we have ensured that sufficient steps have been taken by the recipient to protect your personal data.

We will not disclose any information that you provide 'in confidence', to anyone else without your permission, except in the few situations where disclosure is required by law, or where we have good reason to believe that failing to share the information would put someone else at risk. You will be told about this unless there are exceptional reasons not to do so.

We do, on the odd occasion, process your information overseas using web services that are hosted outside the European Economic Area, for example Facebook and Twitter. This is processed in the US, but has been approved by another competent supervisory authority under Article 40 of the GDPR or equivalent statutory provisions, together with binding and enforceable commitments of the controller and processor to apply the appropriate safeguards such as information security procedures and checks.

We upload children's data to the MiS (SIMS Database) that is hosted in the European Union. In addition, children's data in Early Years Foundation Stage (EYFS) is also uploaded to EExAT. All of these services are hosted within the European Union. To understand how this information is processed in more detail please read Appendix A.

### Forms

When your child starts at school there are a series of forms that parents are asked to complete for school and health records. These include:

- ✚ An indication of who has parental responsibility
- ✚ Pupil information and emergency contacts
- ✚ Data protection permission
- ✚ Competition entry permission
- ✚ Medical check and screening forms
- ✚ A copy of your child's birth certificate
- ✚ Permission for class visits, including coach or minibus transportation
- ✚ School closure arrangement
- ✚ Permission to store data on the school's tracking and assessment systems

### Change of Address or Circumstances

It is the parents' responsibility to let us know immediately of a change of address or telephone number. A mobile telephone number is also very useful for direct and emergency contact. It is also important for us to be aware as soon as possible of any information or situation that may affect your child at school.

### Special Arrangements for Collecting Children

Please notify your child's Class Teacher or the main office if someone different is collecting your child from school or the mode of collection changes. Please endeavour to do this as early as possible, school is a busy place and taking and passing these messages onto children and staff detracts us from our core purpose.

### Worries and Concerns

It is vitally important that you let us know immediately if you or child has any worries or concerns however trivial they may seem to you. Little worries very quickly assume huge proportions in a child's mind if they are left unresolved. Likewise, if circumstances within the family are difficult or stressful for whatever reason, do let us know in the strictest confidence. In this way we can keep a closer eye on and provide extra support for any child who is going through a difficult time. Correspondence in the first instance by email is acceptable, but we prefer face to face meetings so that communication cannot be misinterpreted. For your information, staff are not expected to email out of working hours.

If we are concerned for any reason, we will contact you immediately to discuss the matter.
