

# SCHOOL COMMUNITY GROW

**Calling all budding gardeners!!! We would like your help as a school community to grow an abundance of produce for our school honesty box and get your fingers green!!!**

## Instructions

---

1. From the honesty box help yourselves to a pack of seeds, plastic plant pots, wooden sticks and some compost to take home.
2. If you would like you can decorate the pot and the wooden stick remembering to write the plant name on the stick.
3. Plant the seeds and put in a sunny spot inside i.e. windowsill
4. Care for you plant watering when required
5. When the plant is established you can either
  - a. Return to the honesty box to sell or be planted at school
  - b. Plant in your own garden and when it is time to harvest return the produce to the honesty box for sale.

**\*\*\*Please ensure social distancing is maintained when taking materials form the honesty box \*\*\*\* Thank you 😊**
